

## **Nebraska Youth Summit On Climate**

**JANUARY 27 & 28, 2016**

# **NEBRASKA YOUTH SUMMIT ON CLIMATE**

Senator Ken Haar has been on the forefront of climate change advocacy in the Nebraska Legislature. But there are young voices missing – those for whom climate change will have the most impact.

The Senator will be hosting a day-long Summit at the State Capitol for 50 young people, ages 15 to 25, eager to learn how to have an impact on climate change policy in Nebraska. The Rev. Lennox Yearwood of the Hip Hop Caucus will be our special guest.

Limited to 50. Application required.
